

Representing the Faculty of

*Columbia College &
Modesto Junior College
Office: 209-575-6699*

You are invited to join your faculty colleagues as a **member** of the Yosemite Faculty Association (YFA)!

Since 1976, YFA has been representing the faculty of Modesto Junior College and Columbia College, in collective bargaining for better wages, benefits, and working conditions, as well as in disputes and grievances with the District. In fact, YFA has been instrumental in protecting faculty access to quality health, dental, and vision insurance packages at no cost to you and your family, and in gaining a 10% salary increase last year!

YFA has an office and Faculty Lounge in the Library & Learning Center building on MJC's east campus, which is open every term from 8:00 a.m. to 5:00 p.m., Monday through Friday.

For general information, interpretation of contract articles, or resolution of problems, contact our administrative assistant, Geri Wend, at (209) 575-6699. All calls are confidential.

When you join YFA....

As a **member** you are entitled to:

- ❖ Vote on changes to our Contract and Bylaws;
- ❖ Decide who represents you on the YFA Representative Council and Executive Board;
- ❖ Serve on the YFA Representative Council or Executive Board.

Membership Cost:

YFA's membership dues are established by a vote of the membership and help cover the costs associated with running the YFA and paying for quality legal counsel, who work directly with us.

Full-time faculty dues are \$750 per year and are automatically deducted on a ten-month basis.

Part-time faculty dues are \$25 per pay period and are automatically deducted up to ten times per fiscal year. If no paycheck is issued then no dues deduction takes place.

Take a moment to complete the attached YFA Membership Enrollment Form or submit it electronically through the YFA website: yosemitefaculty.org

Join, make your voice heard, and influence our collective work environment!
